

2009- 2010 LANDSCAPE ARCHITECTURE DISTRIBUTIONAL ELECTIVES

The following courses have been pre-approved as fulfilling the distributional requirements in their respective categories. The list is not to be construed as limiting the courses that might be considered. If another course (GSD, FAS, KSG, or other) is proposed by a student as a distributional elective, approval can be by the Program Director. Approval must be part of registration and not *ex post facto*.
