<http://us.fulbrightonline.org>

If you are interested in applying for a Fulbright Grant for 2010-2011, summer is a good time to work on developing your research interests for the grant proposal and to begin to pull together other application requirements. The website above contains complete information and tips for applying (Program Overview and Preparing an Application are particularly helpful). Please note that you must be a U.S. citizen in order to apply.

Copies of the 2010-2011 Fulbright booklet and past proposals by GSD students who have been awarded Fulbrights are available in Student Services. At the Fulbright website there are also podcasts and blogs for inspiration and more information.

The **GSD deadline** for submission is **September 21, 2009**.

Please feel free to contact Gail Gustafson, Office of Student Services, if you have any questions (ggustafson@gsd.harvard.edu).
