

1. DATA & RESEARCH

In the cells below, provide any quantifiable data or project-specific research that documents needs for the above stated outcomes.

DATA & RESEARCH
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:
ENVIRONMENTAL Summarize using 10 key words or phrases: Explain in 250 words or less:

In the cell below, provide any local and community-based project specific research has or will be conducted?

DATA & RESEARCH
Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:

2. PRE-DESIGN

What positive Social, Economic and Environmental impact will occur during the pre-design phase?

PRE-DESIGN
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:
ENVIRONMENTAL Summarize using 10 key words or phrases: Explain in 250 words or less:

What community participation will be involved during the pre-design phase?

PRE-DESIGN
Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:

3. SCHEMATIC

What positive Social, Economic and Environmental impact will occur during the schematic phase?

SCHEMATIC
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:
ENVIRONMENTAL Summarize using 10 key words or phrases: Explain in 250 words or less:

What community participation will be involved during the schematic phase?

SCHEMATIC
Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:

4. DESIGN DEVELOPMENT

What positive Social, Economic and Environmental impact will occur during the design development phase?

DESIGN DEVELOPMENT
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:
ENVIRONMENTAL Summarize using 10 key words or phrases: Explain in 250 words or less:

What community participation will be involved during the design development phase?

DESIGN DEVELOPMENT
Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:

5. CONSTRUCTION

What positive Social, Economic and Environmental impact will occur during the construction phase?

CONSTRUCTION
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:

ENVIRONMENTAL

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

What community participation will be involved during the construction phase?

CONSTRUCTION

Community Participation and Stakeholder Input

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

6. PROJECT MANAGEMENT

What positive Social, Economic and Environmental impact will occur during the project management phase?

PROJECT MANAGEMENT

SOCIAL

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

ECONOMIC

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

ENVIRONMENTAL

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

What community participation will be involved during the project management phase?

PROJECT MANAGEMENT

Community Participation and Stakeholder Input

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

7. PROGRAM IMPLEMENTATION

What positive Social, Economic and Environmental impact will occur during the program implementation phase?

PROGRAM IMPLEMENTATION

SOCIAL

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

ECONOMIC

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

ENVIRONMENTAL

Summarize using 10 key words or phrases:
--

Explain in 250 words or less:

What community participation will be involved during the program implementation phase?

PROGRAM IMPLEMENTATION

Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:
--

8. POST OCCUPANCY

What positive Social, Economic and Environmental impact will occur during the post occupancy phase?

POST OCCUPANCY
SOCIAL Summarize using 10 key words or phrases: Explain in 250 words or less:
ECONOMIC Summarize using 10 key words or phrases: Explain in 250 words or less:
ENVIRONMENTAL Summarize using 10 key words or phrases: Explain in 250 words or less:

What community participation will be involved during the post occupancy phase?

POST OCCUPANCY
Community Participation and Stakeholder Input Summarize using 10 key words or phrases: Explain in 250 words or less:
