PETITION TO EXEMPT FROM REQUIRED COURSE GSD 4115

Name ____________________________________________________________________

Email Address ____________________________________________________________________

Expected Month/Year of Graduation____________________________________________

I am petitioning to exempt from the course requirement for:

GSD 4115 History and Theory of Urban Interventions

I am attaching information showing my prior experience in the areas covered by this course, including:

- Syllabi of prior relevant coursework
- Documentation of passing the prior relevant course, such as a transcript
- A one paragraph explanation of my experience in the course topic area

I understand that in most cases, students granted exemption from 4115 are required to substitute an advanced history & theory course. The substituted course may not then be used towards fulfilling a concentration requirement.

Student ____________________________________________________________________  Signature ____________ Date ____________

___ This student is waived from GSD 4115, with no restrictions.

___ This student is waived from GSD 4115, with the requirement that an advanced history & theory course be taken as substitute.

Instructor of 4115 ____________________________________________________________________  Signature ____________ Date ____________

Program Director ____________________________________________________________________  Signature ____________ Date ____________

Return this signed form and all supporting documentation to the Registrar’s Office, Gund Hall room 422.
