

PETER G. ROWE**PERSONAL DATA**

Telephone: (617) 495-4237 office, cell 857-891-6897.
 E-mail: prowe@gsd.harvard.edu
 Date of Birth: June 28, 1945
 Place of Birth: Wellington, New Zealand
 Citizenships: United States of America and New Zealand
 Marital Status: Divorced and Single.

DEGREES

Melbourne University, B. Arch., 1969.
 Rice University, M. Arch. in Urban Design, 1971.
 Harvard University, A.M. (Hon.), 1986.
 Melbourne University, D. Arch. (*Honoris causa*), 2013.

PROFESSIONAL APPOINTMENTSTeaching

1987– Raymond Garbe Professor of Architecture and Urban Design, Graduate School of Design, Harvard University.
 2004– Harvard University Distinguished Service Professor.
 1992–2004 Dean, Faculty of Design, Harvard University.
 1988–1992 Chairman, Department of Urban Planning and Design; Graduate School of Design, Harvard University.
 1985–1990 Director, Urban Design Programs, Graduate School of Design, Harvard University.
 1985–1987 Professor of Architecture and Urban Design, Graduate School of Design, Harvard University.
 1985 Professor, School of Architecture, Rice University.
 1981–1985 Director, School of Architecture, Rice University.
 1982–1983 Visiting Professor, Department of Architecture, University of Toronto.
 1977–1985 Associate Professor, School of Architecture, Rice University.
 1977–1985 Adjunct Associate Professor of Human Ecology, School of Public Health, University of Texas Health Science Center, Houston, Texas.
 1973–1977 Assistant Professor, School of Architecture, Rice University.
 1972–1973 Instructor, School of Architecture, Rice University.
 1971–1972 Lecturer, School of Architecture, Rice University.

Research

2023– Faculty of the Center for Green Buildings and Cities, Harvard University, Cambridge, Massachusetts.
 2013–2015 Faculty Committee, Joint Center for Housing Studies, Harvard University, Cambridge, Massachusetts.
 1990–1992 Executive Committee, Joint Center for Housing Studies, Harvard University, Cambridge,

- Massachusetts.
 1983-1985, 1987. Member of the Board, Architectural Research Centers Consortium, Washington, DC.
 1979-1981 Vice-President, Rice Center, Houston, Texas.
 1978-1981 Research Director, Rice Center, Houston, Texas.
 1976-1978 Program Director, Environmental Program, Southwest Center for Urban Research (SCUR), Houston, Texas.
 1973-1976 Project Director, Rice Center for Community Design and Research, Houston, Texas.

Professional Practice

- 2012 - Chairman and Co-Founder, SURBA – Studio for Urban Analysis, Brooklyn, New York. Project involvement, for both the public and private sectors, dedicated to the analysis of urban phenomena to improve policy making and to make urban development smarter. Also, provision of senior advisory and consultant services to Chinese and other national property developers. Major Projects include: “Selected Consumer, Community, and Lifestyle Services and the Townships of Zhejiang Province (2014-15);” “Ningbo Dingjia Waterfront Project” (2014-15); and “Case Studies in Comparative Developments for Bogota, Colombia” (2015-2016)” “Evaluation of Townization in Taizhou City, Zhejiang Province, China: Indicators, Performance Measures and Outcomes for 24 Towns” (2015-2016).” “Ironbound Master Plan, New Jersey” (2017-);” “Camarines Sur Regional Tourist Planning” (2019-) and “Negros Regional Planning and Consultation” (2020-) “Modufy Modular and Prefab Housing Development and Application (2021-), Gryd- SURBA Partnership(2021-), Trujillo Subdevelopment, Salaverrey, Peru (2022); City of Bacolod Planning and Urban Design (2023-2024) and Unilab Diagonal Park and Pavillions, Manila (2024).
 1981-1987 Principal, Environmental Planning and Design, Houston, Texas. Major project involvement included: urban modeling, growth forecasting, environmental impact assessment, pre-design project analysis, urban design and planning, and public policy evaluation.
 1972-1973 Planning Director of CTA Planning, Charles Tapley and Associates, Houston, Texas. Major project involvement included: feasibility studies; schematic design and detailed planning for several large-scale mixed-use developments; preliminary planning and design of several medium scale residential and recreational home developments, as well as landscape design.
 1967-1969 Architect, H. Garnet Alsop and Partners, Architects and Engineers, Melbourne, Australia. Project involvement in a full range of professional services relating to the design and construction of: industrial parks, commercial and restaurant facilities and zoological gardens.

Education

- 2004–2007 Education Programme Director, Aga Khan Trust for Culture, Geneva.
 Major consulting assignments include: coordination of on-going surveys of architecture, planning and environmental design education programs in the Muslim world and those concerning conditions for practice in the Muslim world; curriculum development; chairing the ‘Thinking Group’ for the School of Architecture and Human Settlement at the Aga Khan University; oversight, for the Trust, of the Aga Khan Programs in Architecture at Harvard and MIT; organization and sponsorship of architectural fora, symposia and lectures; oversight of the Aga Khan Award for Architecture; liaison with the Aga Khan Historic Cities Program; and special assignments in development planning for the Aga Khan Development Network.

HONORARY ACADEMIC AND PROFESSIONAL AFFILIATIONS AND AWARDS

With Longfeng Wu, Karen Polencke Award for Outstanding Paper at the ACSP Conference, 2021,
 Honorary Professor, Beijing Forestry University, 2020
 Qiushi Chair Professor, Zhejiang University, 2016-2019.

Honorary Professor, Tsinghua University, 2018-
 High-Level Foreign Expert, Tsinghua University, 2015-2018.
 Visiting Fellow, Center for Livable Cities, Singapore, 2015-2018, 2019-.
 Honorary International Chair Professor, National Taipei University of Technology, 2014-2017
 Honorary Professor in the Faculty of Social Sciences, Chinese University of Hong Kong, 2014-
 Distinguished Alumni Award, Rice University, 2014.
 Guest Professor, Tsinghua University, 2013 - 2019
 Honorary Professor, Tongji University College of Architecture and Planning, 2003-
 Honorary Member, Academia dei Benigni, Italy, 2002-
 Honorary Member, Boston Society of Architects, 1986-
 Associate Member, Urban Land Institute, 1986-2004
 Member, American Planning Association, 1981-2004
 Member, Institute for Urban Design, 1980-1990. Fellow, 1997-2001
 Liaison Member, Regional and Urban Design Committee of the American Institute of Architects, 1988-1990
 Member, American Association for the Advancement of Science, 1979-1985
 Member, Urban and Regional Information Systems Association, 1976-1978, 1983
 Picton Hopkins Prize in Design, Melbourne University, 1967.

OTHER ACADEMIC AND RELATED ACTIVITIES.

Core Research Faculty Member, Harvard Center for Green Buildings and Cities, 2024-
 Member, International Scientific Advisory Board for Global Crises, Adaption and Future Challenges, Korean Parliament. 2024-
 Advisor, Digital China Initiative, Harvard University, 2024-
 Member, Editorial Board, Journal of Urban Sciences, 2023-
 Member, Editorial Board, Journal of Chinese Architecture and Urbanism, 2022-
 Member, Scientific Advisory Committee of the Future Cities Lab Global Program, ETH Singapore, 2021-2023
 Member, Advisory Board, *Architecture Asia*, 2020 -
 Member, Council for the Hainan Tropical Rainforest National Park Research Institute. 2020-2021.
 Member, Committee on Appointments and Promotions, Center for Future Human Habitat, Tsinghua Shenzhen International Graduate School, 2019-2020.
 Member, International Strategic Committee of Tsinghua-CIFI Center for Sustainable Community, 2016-2021.
 Member, College of Reviewers for the Canada Research Chairs Program, 2015 –
 Advisor, Center for Asian Architecture, Southeast University, Nanjing, 2015-
 External Examiner, PhD. Committee, Melbourne University, Faculty of Architecture, Building and Planning, 2015 and 2017.
 Jury Member, Global Schindler Award, Switzerland, 2014-2015.
 Member, Asia Center Steering Committee, Harvard University, 2014-2018.
 Member, Council on Asian Studies, Harvard University, 2013-2016.
 Member, Editorial Board, *Urban Design and Planning Research Journal*, 2013 -
 Member, External Advisory Board of the Architecture and Sustainable Design Program of Singapore University of Technology and Design, 2013 – 2020.
 Jury Member, Parque del Rio Medellin Competition, Medellin, Colombia, July 31-August 2 and October 14-15, 2013.
 Jury Member, The World Knowledge Forum: Creative and Adaptive City Design Competition, Seoul, South Korea, August 25, 2013.
 Member, Joint Center for Housing Studies, Harvard University, 2012-
 Member, Advisory Panel of the Guangzhou Planning Committee, 2012 - 2015
 Member, William Ward Watkin Council, Rice University, 2012- 2018
 An Executive Director, Hainan University Council, Hainan University, 2011- 2015
 Member, Wuhan City Planning Board Consultants Committee, Wuhan, China 2011- 2014

Chairman, External Academic Review Committee for the School of Architecture, Tsinghua University, 2010.

Member, International Advisory Committee for the College of Architecture and Landscape Architecture, Peking University, 2010-

Board Member, UNESCO World Heritage Institute of Training and Research in the Asia and Pacific Region, 2008.

International Advisor, People's Municipal Government of Guiyang, China, 2007.

Member, Steering Committee, China Fund, Harvard University, 2006-

Vice Chairman, International Advisory Council, People's Municipal Government of Wuhan, China, 2005-2010.

Member, Advisory Editorial Board, Journal of Architectural/Planning Research and Studies, Thammasat University, Bangkok, Thailand, 2005- 2010.

Jury Member, 6th IAHH International Student Design Competition, Mumbai, India, 2008

Senior Consultant, Building China Modern, Public Broadcasting System, 2002-2007

Member, Advisory Board for the Cities Programme, London School of Economics, 2001-2007

Senior Advisor, Center for Urban Development Studies, Tongji University, 2003-2007

Board Member, Centre Canadien d'Architecture, Montreal, 1995-2007

Member, Steering and Executive Committees, Asia Center, Harvard University, 2001-2004

Jury Member, Manzanares River competition, Madrid, Spain, 2005

Chairman, Review Committee for the Department of Architecture, ETH, Zurich, 2005

Honorary Member, Editorial Board, Journal of Architecture and Urban Studies, Thailand, 2005

Jury Chairman, Hellenikon Project, Athens, Greece, 2004

Jury Member, Biblioteca de México José Vasconcelos, Mexico City, 2003

Member, Peer Review Panel, Doha Corniche Project, 2003

Member, Council on Asian Studies, Faculty of Arts and Sciences, Harvard University, 2003-2004

Jury Member, Neri Award 2003 Industrial Design Competition, Cesena, Italy, 2003

Member, Aga Khan Trust for Culture, Architecture Award Steering Committee, 2002-2004, ex-officio 2006-2007

Member, University Committee on Physical Planning, Harvard University, 2002-2004

Senior Advisor on Urban Planning and Design, City of Wenzhou, People's Republic of China, 2000-2002

Member, Senior Advisory Committee on Urban Planning and Design, City of Hangzhou, People's Republic of China, 2001-2002

Member, Dean's Circle, School of Architecture, Rice University, 2001-2005

Publisher and Editorial Board Member, Harvard Design Magazine, 1997-2004

Member, Academic Affairs Committee, Harvard University, 1992-2004

Honorary Consultant, Chair Committee on Architecture, Melbourne University, 1997-1998, 2002-2003

Member, Review Committee for the Faculty of Architecture, University of Hong Kong, 2002

Jury Member, West Kowloon Reclamation Concept Plan Competition, Hong Kong 2001-2002

Member, Search Committee for Chief Planner of the City of Boston, 2000-2001

Member, Central Artery Corridor Advisory Group Task Force, City of Boston, 1999-2001

Chairman, Dean's Circle, School of Architecture, Rice University, 1998-2001

Jury Member, Harvey Milk Memorial Plaza Competition, San Francisco, 2000

Jury President, Olympic Village Competition, Athens, Greece, 2000

Board Member and Secretary-Treasurer, The Donald Judd Foundation, New York, 1999

Jury Member, International Competition for Students of Architecture, XXth UIA Congress, Xi'an-Beijing, 1999

Chairman, Review Committee of the Faculty of Architecture and Town Planning, Technion University, 1997

Member, Board of Directors of Gridcore, 1997-1999

Member, U.S. General Services Administration, Public Buildings Service National Register of Peer Professionals, 1996-1998

Editorial Board, Journal of Architectural and Planning Research, 1991

Jury Member, Beyond the Box Competition, New York, 1995

Jury Member, International Urban Housing Student Design Competition, Washington, DC, 1994

Jury Member, Heart of the Park Competition, Houston, 1993

External Reviewer, City and Regional Planning Program, University of Pennsylvania, 1992

External Reviewer, Graduate Program, School of Architecture, University of California, San Diego, 1992
 Jury Member, San Antonio Main Library Competition, 1991
 Associate of Elliot House, Harvard University, 1989-1994
 Chairman, ACSA Interdisciplinary Task Force, 1990-1991
 External Reviewer, Graduate Programs, Department of Architecture, University of Miami, 1990
 Member, The Shop Club, Harvard University, 1989-1995
 Editorial Board, Urban Design and Preservation, 1987-1988

Exhibits

- Curatorial Development, "Clear Light: The Architecture of Laretta Vinciarelli" at the Bernard and Anne Spitzer School of Architecture, City College of New York, March 1- May 25, 2012.
- Co-curator, "Projecting Beirut: Episodes in the Construction and Reconstruction of the Modern City," at the Graduate School of Design, Harvard University, April 1997.
- Curator, Exhibit in connection with the Prince of Wales Prize in Urban Design, 1990 at the Graduate School of Design, Harvard University, February 1991.
- Curator, Exhibit in connection with the Prince of Wales Prize in Urban Design, 1988 at the Graduate School of Design, Harvard University, October 1988.
- Participant with A. and A. de Souza Santos in "Roosevelt Island Housing Competition Exhibit," sponsored by the Architect's League of New York, McGraw-Hill Building, New York, Oct. 15 - Nov. 7, 1975.

LECTURES, PRESENTATIONS, AND WORKSHOPS

- School of Architecture and Planning, Buffalo University, Third Annual Korean Studies Symposium. Keynote Address, October 18, 2024.
- City of Salerno, Letteratura Festival: L'umanita e un Tirocinio, Presentation on Urban Design, 24 June 2023.
- School of Architecture, University of Naples 'Federico II' Workshop for PhD Students, June 22, 2023.
- School of Architecture, University of Naples 'Federico II' Public Lecture titled, "Tokyo: A Tale About a Large Metropolitan Area", June 21, 2023.
- School of Architecture, University of Virginia, Asian Urbanism Collaborative Inaugural Workshop, Lecture Titled "Living Together in the New Globalized World", February 8, 2022.
- School of Architecture, Syracuse University, Public Lecture titled. "On Bounded Conditions in Chinese Compact Urban Conditions", November 5, 2020.
- Center for Livable Cities, Singapore. Webinar titled. "A city in Blue and Green: The Singapore Story", June 4, 2020.
- Faculti – Architecture, "3 Interviews with Peter G. Rowe", 2020.
- Beijing Forestry University, Short Course titled, "Metropolitan Spatial Dynamics and Functional Roles", June, 5-6, 2019
- School of Architecture, Zhejiang University, Short Course titled, "Modern Architecture in China: 1950-Present", May 20-June 1, 2019.
- Beijing Forestry University. Public Lecture titled, "A City and Its Stream: The Cheonggyecheon Stream Restoration Project". 16 October 2018.
- School of Architecture, Tsinghua University, Short Course titled, "Towns and Settlements in Metropolitan Regions", October 2018.

- University of Monterrey, Mexico. Public Lecture titled, "Rome, 1870 to Present". October, 2018.
- University of Monterrey, Mexico. Public Lecture titled, "A City and Its Stream: The Cheonggyecheon Stream Restoration Project". September, 2018.
- University of Monterrey, Mexico. Urban Design Studio, titled, "Rio Ciudad", September- December 2018.
- School of the Built Environment, University of New South Wales. Annual Paul Reid Lecture in Urban Design and Utzon Lecture titled, "China's Changing Urban Communities: Concepts, Contexts and Well-being". 7. March, 2018.
- Yilong District Management Committee and Urban Environmental Design Magazine. Jury Chairman, "Yilong Futuristic City Industrial Design Competition" Guizhou, China. December 2-4, 2017
- South Asia Institute and Harvard Mellon Urban Initiative. Speaker in the Mumbai: Social Research and Urban Projections Symposium. Lecture titled "The Mumbai Metropolitan Region; Matters of Urban Form", March 4, 2017.
- South Asia Institute. Speaker in the Decoding Asian Urbanism Symposium. Lecture titled "Decoding East Asian Cities around Matters of Form", November 28, 2016.
- Jiangsu Urban Planning and Design Institute. Lecture titled "China's Physical Urbanity and Residential Communities", July 4, 2016.
- Zhejiang University, First Zhejiang University International Dialogue on Urban and Rural Development. Lecture titled "Striking a Balance in China's Community and Block Structures", June 27, 2016.
- Zhejiang Changjiang Delta Town Development and Data Research Institute, Wuzhen, China. Keynote in the Small Cities, Great Futures: 4th Forum on Changjiang Delta Town Development. Lecture titled "Sustainable and Green: Four Concepts and Some Projects", June 30, 2016.
- School of Architecture, Tsinghua University. Public Lecture titled "China's Physical Urbanity of Residential Communities" May 19, 2016.
- University of the Philippines. Presentation about Harvard and the Graduate School of Design. Manila, March 17, 2016.
- Zhejiang Changjiang Delta Town Development and Data Research Institute, Nanjing, China. Keynote in the Small Cities, Great Futures: 3rd Forum on the Development of Towns in the Changjiang Delta. Lecture titled "Sustainable Towns in Well-Networked Urban Regions" August 1, 2015.
- Rockefeller Center for Latin American Studies. Conversation around Mexico City: Between Geometry and Geography. Museo Experimental El Eco, Mexico City, June 26, 2015.
- School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design between East and West, sponsored by the One Asia Foundation. Lectures titled, "Building Barcelona: A Second Renaissance" and "Urban Intensities: Contemporary Housing Types and Territories", May 22 and 29, 2015.
- Zhejiang Changjiang Delta Town Development and Data Research Institute, Diankou, China. Keynote in the Small Cities, Great Futures: Changjiang Delta Towns Development Conference. Lecture title "A Case for Towns and Small Cities in an Urbanizing Regional Context", February 24, 2015.
- Center for Livable Cities, Singapore, Lecture Series, Lecture titled, "Urban Intensities: Contemporary Housing Types and Territories", 27 August 2015.
- Center for Livable Cities. Interview, 28 August 2015.
- Joint Center for Housing Studies Project Advisory Board Meeting, Alfred Taubman Center, Harvard University. Lecture titled, "Urban Housing in China", September 20, 2014.
- Hong Kong Institute for the Humanities and Social Sciences and the Harvard Yenching Institute. The University of Hong Kong. Speaker in the "Urban Studies and the China Experience." Lecture titled, "Emergent Architectural Territories in East Asia", August 20, 2014.
- Shanghai Overseas Returned Scholars Association. Speaking in the International Symposium on Population and Future Development of Mega-Cities. Lecture titled, "Pursuit of Urban Intensity: Spatial Distribution of Population, Transport, and Employment in Mega-Cities in at Two Levels of Resolution, July 6, 2014.
- National Taiwan University. Speaker in a Symposium Regarding Urban Regeneration. Lecture titled, "Obsolescence, Regeneration, and Resilience in Urban Form: Some Observations", April 12, 2014.
- School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled,

- “Comparative Cases of Urban Planning and Design from China and the Developed World” and “Reflections on the Quality of Design Thinking in the Digital Age Around Matters of Problem-Space Vagueness and Definition”, March 14 and 21, 2014.
- Bi-City Biennale of Urbanism and Architecture, Shenzhen. Participant in the Design Workshop and International Forum on the Creative Development for the Industrial Hub of Shekou Dacheng Flour Factory, February 26, 2014.
- Centro Roberto Garza Sada de Arte, Arquitectura y Diseño, Universidad de Monterrey, Monterrey. Participant in ‘Beyond’, 5th International Conference of Art, Architecture and Design. Lecture titled, “Emergent Architectural Territories in East Asia”, March 6, 2014.
- University of Virginia. Discussion of the role of deans of schools of architecture, November 14, 2013.
- Calxon Group, Shaoxing. Seminar participation. Lecture titled, “Cases of Urban Planning and Design from Developed Countries”, August 22, 2013.
- University of Campinas (UNICAMP), Campinas. 6th Meeting on Information Technology and Communication in the Construction Industry. Lecture titled, “Reflections on the Quality of Design Thinking in the Digital Age Around Matters of Problem-Space Vagueness and Definition”, July 25, 2013.
- Van Alen Institute, New York. Lecture titled, “A City and Its Stream: The Cheonggyecheon Restoration Project”, April 9, 2013.
- School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled, “East Asia Modern: Shaping the Modern City” and “Architectural Encounters with Essence and Form in Modern China”, March 18 and 21, 2013.
- Melbourne University Design School. Special Lecture titled, “Shanghai Post-78”, March 15, 2013.
- Harvard Graduate School of Design, China GSD Lecture titled, “Urban Housing Typologies and Development in China”, February 11, 2013.
- School of Architecture, Rice University. ‘RAMP Conversation with Peter Rowe’, February 8, 2013.
- Urban Design Institute of Korea. Urban Design Asia 2012. Keynote titled, “Future Asian Cities: Urban Formations, Regional Reflections and Sustainable Developments”, October 17-19, 2012.
- Centre de Cultura Contemporània de Barcelona. Speaker in Symposia L’Impact dels Jocs, vint anys deprés, sponsored by the Fundació Catalunya Europa, June 25, 2012.
- Xinhua Press. Interview, “How Far Is Green Building From The U.S.” June 5, 2012.
- School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled, “Urban Formation in China Seen from Afar” and “Emergent Architectural Territories in East Asian Cities”, April 9 and 16, 2012.
- School of Architecture, Chinese University of Hong Kong. Symposium on Sustainable Cities: Future New Towns for Hong Kong. Presentation titled, “District Making for the 21st Century in China: Breaking Old and Not So Old Habits”, March 9, 2012.
- School of Architecture and Urban Planning, Seoul National University. Lecture titled, “Emergent Architectural Territories in East Asian Cities”, December 10, 2011. School of Architecture, Chinese University of Hong Kong. Kinoshita Lecture, titled “Emergent Architectural Territories in East Asian Cities”, December 3, 2011.
- Hauser Center for Nonprofit Organization at Harvard. Conference on Civil Society and Nonprofits in China. Speaker and Panelist “The Architecture Profession: Unique Arrangements Undergoing Change,” January 22, 2011.
- Department of History and the Baker – Nord Center for the Humanities, Case Western Reserve University. Tipping Points in Urban Change: Modern Perspectives on Agents of Urbanization. Presentation titled “The City and Its Stream: Turning Points in Seoul’s Modern Development,” March 25, 2010.
- School of Architecture, Tsinghua University. Doctoral Forum of China (Architecture). Speaker and Special Member of the Scientific Committee of the Doctoral Forum of China in Architecture. Lecture titled “On Doctoral Study” and “Urban Formation in China from 1950 Seen from Afar,” October 15th-18th, 2009.
- Fairbanks Center, Harvard University. The People’s Republic of China at Sixty: An International Assessment, Speaker and Panelist “Urban and Residential District Making: 1949-2009,” May 1st, 2009.

- World Cities Summit 2008, Singapore. Speaker and Panelist “Planning for a Distinctive and Vibrant City,” June 24, 2008.
- China Committee of 100. 17th Annual Conference, Los Angeles. Speaker and Panelist “Man and Environment: Multi-Disciplinary Perspectives on Sustainability,” April 18, 2008.
- Rizvi College of Architecture, Mumbai, India. 10th International Conference on Humane Habitat. Keynote lecture titled “East Asian Modern Urban Developments – Indigenous Responses,” January 25th, 2008.
- School of Architecture, BRAC University, Dhaka, Bangladesh. The 51st Angan Lecture titled “East Asia Modern,” January 22nd, 2008.
- City of Wuhan, China. International Advisory Council Meeting. Plenary Presentation titled “Wuhan’s Transit System in Context,” November 29, 2007.
- City of Guiyang, China. Advisory Committee Meeting. Presentation titled “Urban District Making,” November 27, 2007.
- Costa Rican Society of Architects and Engineers, San José, Costa Rica. Lecture titled “International Urban Design Studio Experiences,” October 9, 2007.
- Reischauer Institute, Harvard University. Lecture titled “Chuo-Ku’s Urban Waterfront,” April 27, 2007.
- Fudan University, Shanghai, China. First Biennial Conference, Fudan University International Forum. Keynote lecture titled “Urbanization and City Making in Contemporary China: The Matter of Scale,” November 3, 2006.
- School of Architecture, Landscape and Design, University of Toronto. Lecture titled “East Asia Modern: Shaping Contemporary Cities,” October 24, 2006.
- Colombian Society of Architects, Bogotá, Colombia. Lecture titled “Shaping the Space of Time in Metropolitan Regions,” May 17, 2006.
- University of Metropolitana and the Chacao Cultural Center, Caracas, Venezuela. Lecture titled “Shaping the Space of Time in Metropolitan Regions,” May 15, 2006.
- Center for Architecture, New York. Symposium, Barcelona-New York: Dialogues on Architecture and Urban Planning. Framing statement titled, “Barcelona: the Last Twenty-Five Years,” and panel discussion moderator, March 18, 2006.
- Universito of Metropolitana, Caracas, Venezuela. Lecture titled “Taking Back the Streets,” February 22, 2006.
- Ministry of Land, Environment and Infrastructure and Keio University. International Symposium titled “Parks and Stations: Creating Cultural Cores.” Lecture titled “Revitalization in Shinjuku, Shibuya and Shimokitazawa: An International Perspective,” January 21, 2006.
- Dallas Art Museum. Lecture titled “The Aga Khan Award for Architecture and Activities of the Aga Khan Trust for Culture,” December 10, 2005.
- City of Wuhan, China. International Advisory Council Meeting. Presentation titled “A Response to Wuhan’s Urban Development in Favor of Urban Amenity,” November 25, 2005.
- Ministry of Housing and Urbanization, Tehran, Iran. Workshop titled “Urban Design in Traditional Contexts in Contemporary Times.” Co-organizer, moderator and panelist, May 26-28, 2005.
- Museum of Fine Arts, Houston. Lecture titled “The Aga Khan Award for Architecture,” April 10, 2005.
- National Building Museum, Washington DC. Lecture titled “Shanghai’s Architecture and Urbanism,” March 14, 2005.
- School of Architecture, Thammasat University, Thailand. International Symposium on Redevelopment Strategies for a Sustainable Bangkok. Keynote Address, February 1, 2005, and Visiting Professor and Workshop Co-Ordinator, ‘Redevelopment of the Makkasan Railroad Yards, Bangkok,’ February 1-10, 2005.
- Clonmacnoise Foundation, Athlone, Ireland. Workshop on Creation of an International Center for Local and Regional Development. Panelist, May 26-27, 2004.
- Bowdoin College, Maine. Lecture titled “Architectural Encounters with Essence and Form in Modern China,” November 19, 2003.
- Institute of Architects and Engineers, Wuhan, China. Lecture titled “The Evolution of Modern Architecture in China,” October 22, 2003.
- School of Architecture, Building and Planning, Melbourne University. Lecture titled “Shaping the Space of Time in Contemporary Cities,” September 2, 2003.
- Ministry of Land, Infrastructure and Transportation of Japan and Keio University. Lecture titled “The Boston

- Central Artery Project", January 25, 2003.
- Landscape Architecture Department, University of Pennsylvania. Lecture titled "Dynamics of Urban Territorialization and the Space-Time of Its Landscape," April 6, 2002.
- Keio University, Tokyo. Critic, design review, July 2, 2002, presentation titled "Tokyo Inner City Revitalization," January 26, 2002, and symposium titled "Tokyo Inner-City Project," September 3-6, 2001.
- Harvard University Asia Center. Lecture titled "The GSD and Design and Urbanization in East Asia," June 4, 2001.
- Monte Verita, Ascona, Switzerland. Lecture titled "Professional Education and Practice," April 10, 2001.
- Harvard University Asia Center. Seminar titled "Mid-Sized Chinese Cities: Suzhou and Wenzhou," March 2, 2001.
- King Abdul-Aziz University, Jeddah, Saudi Arabia. Lecture titled "Transformation and Design of American Metropolitan Areas," January 10, 2001.
- National University of Singapore. Seminar titled "An Education Fostering Creativity in Contemporary Practice," August 7, 2000.
- Harvard Graduate School of Design, Asia-Pacific Design Conference. Keynote lecture titled "Architectural Encounters with Quintessence and Form in Modern China," March 7, 2000.
- City of Wenzhou, China. Lecture titled "The Transformation and Re-development of American Cities," February 17, 2000.
- Universidad Metropolitana and Acción Cultural PDVSA, Caracas Venezuela. Lecture titled "The Design of Civic Space and the Case of the Piazza del Campo," January 6, 2000.
- Illinois Institute of Technology Bronzeville Design Symposium. Introduction, October 29, 1999.
- School of Architecture and Planning, Tsinghua University. Lecture titled "Civic Realism," March 30, 1999.
- College of Architecture, Xi'an University of Architecture and Technology. Lecture titled "Civic Realism and the Piazza del Campo," March 24, 1999.
- School of Architecture, Washington University, 'Design and the Contemporary American Metropolis Conference.' Keynote lecture titled "The Transformation and Design of the American City," March 11, 1999.
- Eidgenössische Technische Hochschule, Zürich. Lecture titled "Modernization, Urbanization and Housing in China," December 4, 1998.
- Pontificia Universidad Cattolica de Chile, 'Infrastructure and Cities Symposium.' Lecture titled "The Tail that Wagged the Dog: Boston's Central Artery Project," November 10, 1998.
- College of Architecture, South China University of Technology, Guangzhou. Lecture titled "Urban Redevelopment in Suzhou," October 26, 1998.
- EDAW Corporate Retreat, Santa Fe, New Mexico. Presentation titled "Design, Internationalism and Practical Knowledge," September 27, 1998.
- Netherlands Institute for Architecture, Rotterdam, The Netherlands. Lecture titled "Recent American Port Redevelopments," June 28, 1998.
- School of Architecture, Southeast University, Nanjing, China. Lecture titled "Urbanization and Housing in China," May 16, 1998.
- Istituto Nazionale di Architettura, Rome, Italy. Presentation titled "Projects along the Via Appia Nuova," March 23, 1998.
- Association Européenne pour L'Enseignement de L'Architecture, Las Palmas de Gran Canaria, Spain. Lecture titled "Magazines, Alternative Publications and the University," November 13, 1997.
- Centro de Estudios de Arquitectura Contemporánea, Universidad Torcuato di Tella, Buenos Aires, Argentina. Seminar titled "Design and Provision of Housing in the United States, 1870-1990," August 5-9, 1997.
- 21st Century Urban Construction and Design Fair, Dalian, China. Lecture titled "Urban Design Challenges of the 21st Century," June 25, 1997.
- Harvard Graduate School of Design, Asia-Pacific Design Conference. Paper titled "Overview of Housing in China," April 5, 1997.
- Harvard Graduate School of Design Conference: Projecting Beirut, Episodes in the Construction and Reconstruction of a Modern City. Co-Chairman, April 11-12, 1997.
- Urban Design Program, Universidad Metropolitana, Caracas, Venezuela. Visiting Critic, January–April 1997

- and January-April 2000.
- Centro de Arte de Maracaibo, Maracaibo, Venezuela and Accion Cultural PDVSA, Caracas, Venezuela. Lecture titled "Transformation of American Metropolitan Areas and Design in a Middle Landscape," January 15 and February 18, 1997.
- American University in Beirut, Lebanon. Lecture titled "Alternatives in the Design of Low-Cost Housing," December 2, 1996.
- School of Architecture and Planning, Tsinghua University, Beijing, China. Lecture titled "The Design of Low-Cost Housing: Projects and Alternatives," October 24, 1996.
- Infonavit, Mexico City, Mexico. Lecture titled "Alternative Considerations in the Design of Low-Cost Housing," September 5, 1996.
- Yonsei University, Seoul, Korea. Lecture titled "Modernity and Housing and the Role of Architectural Education in Our Developing World," May 27, 1996.
- School of Architecture and Planning, Tsinghua University, Beijing, China. Lecture titled "Modernity and Housing," May 24, 1996.
- College of Architecture and Urban Planning, Tongji University, Shanghai, China. Lecture titled "Modernity and Housing," May 19, 1996.
- International Seminar on Innovation in Design and Construction Technology, Kuala Lumpur, Malaysia. Lecture titled "Role of Education in Technical Transfer," May 9, 1996.
- National Institute of Architectural Education, New York. Jury "Beyond the Box," September 16, 1995.
- Auburn University. Lecture titled "Transformations of American Metropolitan Areas and Design in a Middle Landscape," February 23, 1995.
- New York Institute for the Humanities, University of New York. Member of Inter-University Consortium for the Conference on Cities in North America, June 14-16, 1995.
- ACSA European Conference, Lisbon, Portugal. Lecture titled "Transitions in European and American Housing Policy, Production and Design," May 25, 1995.
- Dipartimento di Architettura e Urbanistica, Università "G. D'Annunzio," Pescara, Italy. Lecture titled "Progetti per la città diffusa" and participant in a design charette, May 19-24, 1995.
- College of Architecture, Georgia Institute of Technology. Chairman, SGF Competition Jury, May 15, 1995.
- ACSA Third Annual Otis Elevator International Student Design Competition on Urban Housing. Jury member, April 24-25, 1995.
- Mississippi State University. Lecture titled "Civic Realism," April 5, 1995.
- College of Architecture, University of Florida. Lecture titled "Transformation of the American Metropolis and Design in a Middle Landscape" and "Civic Realism," March 22, 1995.
- Harvard Graduate School of Design Conference: Landscape Architecture, Social Ideology and the Politics of Place. Paper titled "Highways and Byways: Metropolitan Development and Modern Ideology," March 18, 1995.
- Universidad de Nuevo León, Monterrey, Mexico. Lecture titled "The American Metropolis and Design in a Middle Landscape," 23 February, 1995.
- Eidgenössische Technische Hochschule, Zürich. Lecture titled "Architektur und ihre Schulen," January 31, 1995.
- Harvard Club of Boston. Lecture titled "Siena's Piazza del Campo," December 3, 1994.
- College of Architecture, Hanyang University, Seoul, Korea. Lecture titled "Design in an American Middle Landscape," 25 November, 1994.
- Third Cornelius van Eesteren Lecture, Bond van Nederlundse Stedebouwkundigen, Rotterdam, The Netherlands. Lecture titled "Transformation of American Metropolitan Areas and Design in a Middle Landscape," 8 November 1994.
- Harvard Club of Singapore. Lecture titled "Design in an Increasingly Small World," 15 October 1994
- School of Architecture, National University of Singapore. Lecture titled "Making a Middle Landscape Amid American Metropolitan Development," 14 October 1994.
- Des Moines Art Center, Des Moines, Iowa. Lecture titled "Civic Realism and Siena's Piazza del Campo," September 25, 1994.
- Harvard Club of Montreal, Montreal, Canada. Lecture titled "Victorian Domesticity and an Idea about Architectural Quality," December 13, 1993.

Harvard Club of Greece, Athens, Greece. Lecture titled "Urban Design and Contemporary American Metropolitan Development," November 25, 1993.

School of Architecture and Planning, Tsinghua University, Beijing, China. Lectures titled "Urban Design and the Transformation of American Metropolitan Areas" and "Making a Middle Landscape Amid American Metropolitan Development," November 1-2, 1993.

Asia Society, Hong Kong. Lecture titled "Design in an Increasingly Small World," October 29, 1993.

Department of Landscape Architecture, Biotechnical Faculty, University of Ljubljana. Visiting critic and lecturer, June 1993.

Department of Architecture, Iowa State University. Lecture titled "Design and the Transformation of the American Metropolitan Landscape," November 1992.

Department of Architecture, Rhode Island School of Design. Critic, design reviews, June 1992.

The Buell Talks, The Buell Center for the Study of American Architecture, Columbia University. Discussion moderator, April 1992.

Demarcating Lines: Urban Projects from Beirut by Young Architects, MIT Museum. Symposium Speaker, June 1991.

Periphery as a Project, Master en Urbanisme de les Civitats, Laboratori d'Urbanisme de Barcelona, A Short Course of Four Seminars, May 1991.

Centre de Cultural Contemporania de Barcelona. Lecture titled "Poetics of an American Middle Landscape," May 1991.

Alternative American City Models from Broadacre City to the Present: A Symposium, Arizona State University. Lecture titled "Broadacre City and Contemporary American Metropolitan Development," February 1991.

School of Architecture, Universidad de Simon Bolivar, Venezuela. Visiting Critic, Design Reviews, November 1990, January 1991.

Symposium on Architectural Research, Harvard Architectural Review, Moderator of panel titled "Architectural Research in Academic and Professional Practice," October 1990.

Changing Scale: Recent Urban Projects, Graduate School of Design. Symposium co-coordinator and moderator, April 1990.

Real Estate Symposium, Harvard Business School. Lecture titled "Design and the Spatial Transformation of American Cities," December 1989.

Leo Port Foundation Lecture, Faculty of Architecture, University of Sydney. Lecture titled "Urban Design and the Spatial Transformation of American Cities," July 1989.

Urban Design Forum, University of Sydney. Lecturer, July-August 1989.

Faculty of Environmental Design and Construction, Royal Melbourne Institute of Technology. Lectures titled, "Urban Design and the Spatial Transformation of American Cities" and "The Poetics of the American Middle Landscape," July-August 1989.

Harvard GSD Tokyo Seminar. Paper titled "Urban Design in a City of Fragments," March 1989.

Urban Land Institute, "Density by Design" Seminar. Design Respondents Panel, September 1988.

76th Annual ACSA Meeting, Miami, Florida. Theme Session coordinator and moderator in urban design policy, March 1988.

Faculty of Architecture, Technical University of Nova Scotia. Lecture titled "Working on the Language," November 1987. Reviews April 1989, June 1990, April and July 1991.

School of Architecture, Massachusetts Institute of Technology. Lecture titled "Design Thinking: The Necessity for Constructive Frameworks," October 1987.

Department of Visual Studies, State University of New York at Purchase. Lecture in the Rosalind Kirschner Memorial Series on Architectural Design titled, "Design Thinking," October 1987.

Department of Architecture, University of Toronto. Lecture and seminar titled, "Normative Positions in Architectural Thinking," March 1987.

Graduate School of Architecture and Planning, Columbia University. Visiting critic, design reviews, December 1986, May 1987, December 1988, May 1990, and December 1992.

Graduate School of Design, Harvard University 350th/50th Symposium, "Propositions and Practices: The Last Fifty years in the Design Professions." Organizer and Speaker, September 1986.

Urban Design Educators Conference, "The Teaching of Urban Design," Cambridge, Mass. Conference co-

- organizer and participant, January 1986.
- ACSA Northeast Regional Meeting, Rhode Island School of Design, Providence, Rhode Island. Lecture titled, "The Senses of 'Completeness' and 'Incompleteness' in the Contemporary American City," October 1985.
- EDRA 16, New York City, New York. Lecture titled, "Problems of Spatial Reading, Cultural Interpretation and Derivation of Design Principles in Middle Eastern Contexts," June 1985.
- College of Architecture and Planning, King Faisal University, Saudi Arabia. External Examiner, Design Reviews, May 1983 and May 1984.
- Department of Architecture, Graduate School of Fine Arts, University of Pennsylvania. Visiting Critic, 1984.
- Department of Architecture, University of Toronto. Visiting Critic, Design Reviews, April 1982, 1983 and March 1984.
- 28th ACSA/AIA Teachers Seminar, Cranbrook, Michigan. Preceptor and Speaker, June 1983.
- Graduate School of Fine Arts, University of Pennsylvania, Ph.D. Program, Graduate Group in Architecture. Visiting Lecturer, 1983-1985, 1987.
- 71st Annual ACSA Conference, Santa Fe, New Mexico. Presentation of a paper titled, "Problems of Coping with Tradition in Shaping Settlements," March 1983.
- Fourth International Conference on Urban Design, Toronto, Canada. Panelist in Education Workshop. Presentation of a paper titled, "Approaches for Conserving Energy in Low-Density Urban Areas," October 1982.
- 61st Annual Meeting of the Transportation Research Board, Session 34. Presentation of a paper titled, "Choice of Strategy for Saving Transportation Energy in Areas of High Automobile Use," January 1982.
- Third International Conference on Urban Design, Galveston, Texas. Presentation in the "Urban Design Educators Workshop," October 1981.
- Rice Alumni Institute, Fall 1980 Lecture Series "Cultural Reflections of 1970's." Presentation titled, "Architecture in Search of Itself: Towards Pluralistic Plans and a Pluralist Aesthetic," September 1980.
- Third Annual Workshop in Urban and Regional System Analysis, Milwaukee, Wisconsin, November 1980, (Invited Participant).
- Third UMTA University Conference for Urban Transportation Research, Washington, DC, May 1980, (Invited Participant).
- A Housing Symposium, Rice Design Alliance. Presentation of a paper on Neighborhood Stabilization and Renewal, May 1980.
- Engineers Council of Houston, "Critical Issues in Harris County: The Flood Problem Conference." Presentation of a paper titled, "Environmental Assessment," February 1980.
- National Consumer Research Institute, "The Nation's Energy Future: The Socio-Economic and Institutional Implications," conference co-chairman, August 1979.
- U.S. Department of Energy, "CCEMP Workshop II." Presentation of a paper titled "The Woodlands Energy Study," June 1979.
- Texas Real Estate Research Center, Texas A&M University, "SOAR '79." Short-course instructor, May 1979.
- 67th Annual ACSA Conference, Savannah, Georgia, April 1979, (Invited Participant).
- School of Architecture, Florida A&M University, Workshop on Centers for Excellence, Tallahassee, Florida, April 1979, (Invited Participant).
- Electric Power Research Institute, Advisory Workshop on Integration of Environmental Considerations into Energy-Economic System Models, Rosario, Orcas Is., Washington, October 1978, (Invited Participant).
- American Institute of Planners, Texas Chapter, Annual Conference, April 1978.
- Texas Natural Resources Information System. Presentation of a paper titled, "Environmental Management Decision Assistance System, Chambers County, Texas," January 26, 1978.
- American Institute of Chemical Engineers, South Texas Section. Presentation of a paper titled, "Environmental Information Systems for Land Management," May 6, 1976.
- Citizen's Environmental Coalition, "Citizen's Look at Galveston Bay: An Experimental Conference." Presentation of a paper titled, "The Problem of Maintaining the Physical Integrity of the Texas Coastal

Region,” November 1, 1975.
 Clear Creek Basin Authority, Workshop on Floodplain and Watershed Issues, May 1975.
 Rice University, Corporate Associates Seminar: “Environmental Resources and Land Management in the Texas Coastal Zone,” May 1975.
 Houston Chamber of Commerce, Future Studies Committee, April 1975.
 Department of Landscape Architecture, University of Illinois, Visiting Lecturer, March 1975.
 The Society of Sigma XI, Rice University, Texas Medical Center Chapter, February 1975.
 American Institute of Planners, Texas Chapter, Annual Conference, November 1974.
 American Institute of Architects, Systems Committee Information Conference, New Orleans, November 1974.
 Houston Chamber of Commerce, Subsidence/Hurricane Damage Seminar, Houston, September 1974.
 American Institute of Architects, Natural Resources and Regional Planning Task Force Meeting, Houston, October 1974.
 Soil Conservation Association of America, Texas Council, Fort Worth, Texas, July 1974.
 Woodlands Development Corporation, New Town Center Seminar, Houston, Texas, 1973.
 Urban Land Institute, Annual Project Review Session, Minneapolis, Minnesota, 1973.
 Autonomous University of Guadalajara, Guadalajara, Mexico. Visiting Instructor, 1972.

Research Projects

2022-2023	Principal Investigator, Harvard Center for Green Buildings and Cities, Faculty Research Grant. Project titled. <u>Scaling Local Development: Towards Environmentally Improved Patterns of Spatial Development.</u>
2022	Investigator, Graduate School of Design, Harvard University -Harvard Center for Green Buildings and Cities. Project titled. <u>Research Agenda for Green Related Effects of Urban Spatial Formation.</u>
2018-2019	Investigator, Graduate School of Design, Harvard University- Harvard Center for Green Buildings and Cities. Project titled. <u>Urban Blocks and Grids.</u>
2016-2018	Principal Investigator, Graduate School of Design, Harvard University. Project titled <u>A City in Blue and Green: The Singapore Story.</u>
2016-2017	Co-principal Investigator. Graduate School of Design, Harvard University- Lohda Group, Mumbai, India. Project titled <u>Palava City, Mumbai.</u>
2015-	Advisor, Future Cities Laboratory, ETH Singapore. Project titled <u>Grand Projects.</u>
2014 - 2015	Investigator, Graduate School of Design and School of Public Health, Harvard University. Project titled <u>HAPI: Health and Places Initiative.</u>
2013	Advisor and Investigator, Graduate School of Design, Harvard University – AECOM, China. Project titled <u>Three Cities: Xiamen, Macau and Shenyang.</u>
2011 - 2015	Principal Investigator, Graduate School of Design, Harvard University – Eugene Corporation, Seoul, South Korea. Project titled <u>Korean and East Asian Urban Research Program.</u>
2011-2012	Co-investigator, Graduate School of Design, Harvard University – Harvard Center for Population Studies and Robert Wood Johnson Foundation. Project titled <u>Assessing the Determinants of Heat-related Mortality in Two New York Neighborhoods.</u>
2009-2010	Principal Investigator, Graduate School of Design, Harvard University – Seoul Development Institute, Seoul, South Korea. Project titled <u>Evaluation of the Cheonggyecheon Stream Restoration Project and its Environs, Seoul, South Korea.</u>
2007-2010	Principal Investigator, Graduate School of Design, Harvard University – East West Cultural Development Center, Singapore. Project titled <u>China Urban Research Fund.</u>
2007-2008	Principal Investigator, Graduate School of Design, Harvard University – David Rockefeller Center for Latin American Studies. Project titled <u>Urban Design Issues and Proposals in San José, Costa Rica.</u>
2005-2006	Principal Investigator, Graduate School of Design, Harvard University – David Rockefeller Center for Latin American Studies, Harvard University. Project titled <u>The Middle Landscape</u>

- in Bogotá, Colombia and Caracas, Venezuela.
- 2002-2004 Principal Investigator, Graduate School of Design, Harvard University – Regional Government of Emilia Romagna and the University of Bologna, Italy. Project titled, Territorialization in the Region of Romagna, Italy.
- 2004 Principal Investigator, Graduate School of Design, Harvard University. Project titled, The Huixquilucan Project, Mexico State.
- 2001-2004 Principal Investigator, Graduate School of Design, Harvard University. Project titled, The Tokyo Inner-City Project.
- 1998-1999 Co-Principal Investigator, Graduate School of Design, Harvard University. Project titled, The Joint Project for the Study of Greater Beirut.
- 1999 Co-Principal Investigator, Graduate School of Design, Harvard University – Al-Hariri Foundation, Lebanon. Project titled, Saida Regional Plan.
- 1996-1999 Principal Investigator, Graduate School of Design, Harvard University – Hanssem Corporation, Seoul, Korea. Project titled, Urbanization in China and the North-East Asian Region.
- 1996-1998 Principal Investigator, Graduate School of Design, Harvard University – Asiaworld Internationale, Taipei, Taiwan. Project titled, Assessment of the Cagayan Special Economic Zone, in the Philippines.
- 1995-1996 Principal Investigator, Graduate School of Design, Harvard University. Project titled, An Urban Design Program for Metropolitana University, in Caracas, Venezuela.
- 1995 Principal Investigator, Graduate School of Design, Harvard University. Project titled, A Graduate Program in Landscape Architecture for the University of Nuevo Leon, in Monterrey, Mexico.
- 1989-1991 Co-Principal Investigator, The Joint Center for Housing Studies, Harvard University. Project titled, Technological Change and Diffusion in the American House.
- 1989 Co-Principal Investigator, Graduate School of Design, Harvard University - The Aga Khan Unit for Housing and Urbanization. Project titled, Remote Sensing and Typological Analysis of Informal Settlements.
- 1988 Co-Principal Investigator, Graduate School of Design, Harvard University - The Aga Khan Unit for Housing and Urbanization. Project titled, The Feasibility of Housing Surveys Using Remote-Censored Data.
- 1988 Senior Researcher, Graduate School of Design, Harvard University. Project titled, The Bermuda Ports Study.
- 1987-1989 Principal Investigator, Graduate School of Design, Harvard University - National Endowment for the Arts. Grant No. 87-4251-0162 titled, Urban Design in a City of Fragments.
- 1987-1989 Principal Investigator, Graduate School of Design, Harvard University - William F. Milton Fund. Project titled, Improving the Public Amenity of the Middle Landscape of American Cities.
- 1985-1986 Principal Investigator, The Joint Center for Housing Studies of MIT and Harvard University. Project titled, Technology and the Housing Industry.
- 1985-1986 Consultant, Rice University, Jamiah Project - King Faisal University. U.S.-Saudi Arabian Joint Commission on Economic Co-operation. Contract No. R-1193.
- 1984-1985 Consultant, REDDI, Rice University-San Jacinto River Authority. Project titled, Plan of Study for Upper Watershed Drainage Improvements and Flood Control on San Jacinto River.
- 1981-1986 Principal Investigator and Campus Coordinator, Rice University portion of the Jamiah Project - King Faisal University - U.S. - Saudi Arabian Joint Commission on Economic Cooperation, U.S. Treasury Dept. Contract No. R-1193.
- 1980-1981 Consultant, Environmental Science and Engineering Department, Rice University - U.S. Department of Interior, Office of Water Research and Technology. Project titled, Evaluation of Effects of Stormwater Detention in Urban Areas.
- 1980-1981 Senior Researcher, Rice Center - National Science Foundation. Grant No. PFR-8008920 titled, Earthquake Risk Analysis for Land Use Planning.
- 1979-1980 Principal Investigator, Rice Center - Department of Transportation, Washington, DC Grant

- No. TX-11-0010 titled, Identification, Analysis and Evaluation of Alternative Actions for Achieving Energy Savings in the Transportation Sector.
- 1978-1980 Senior Researcher, Rice University Space Solar Power Research Program-U.S. Dept. of Energy, Washington, DC Project titled, Initial Assessment of Candidate Sites for the Rectenna and Associated Power Distribution Systems for the Solar Power Satellite Concept Evaluation Program.
- 1979-1980 Senior Researcher, Rice Center-U.S. Dept. of Housing and Urban Development. Project titled, Urban Environmental Design.
- 1978 Consultant, Office of Continuing Studies, Rice University. Project titled, Water Conservation and Management for Local Officials.
- 1978 Co-Principal Investigator, Southwest Center for Urban Research, U.S. Dept. of Energy, Project titled, Case Studies of Project Planning and Design for Energy Conservation: The Woodlands Metrocenter. (In conjunction with Woodlands Development Corporation).
- 1978 Consultant, Environmental Science and Engineering Department, Rice University - City of Houston, Department of Public Health. Project titled, Environmental Management of the Lake Houston Watershed. Consultant on land use effects.
- 1978 Co-Principal Investigator, School of Architecture, Rice University - U.S. Army Corps of Engineers, Galveston District. Project titled, Preliminary Navigation Study of Galveston Deep Water Port.
- 1977-1978 Consultant, Rice Center - Department of HUD, Washington, DC Project titled, Feasibility Analysis for a Computer-Based EIS System.
- 1977-1978 Co-Principal Investigator and Project Manager, Southwest Center for Urban Research - U.S. Army Corps of Engineers, Fort Worth District Contract No. DHEW-77-C-0129 titled, Preliminary Feasibility Study for Bear Creek, Texas Local Flood Protection Project.
- 1977-1978 Principal Investigator, Southwest Center for Urban Research - Chambers County Commissioners Court. Project titled, EMDAS System Update.
- 1977 Co-Principal Investigator, School of Architecture, Rice University - U.S. Army Corps of Engineers, Galveston District. Project titled, Preliminary Investigation of Alternative Flood Control Solutions for Cypress Creek, Texas.
- 1977 Consultant, Environmental Science of Engineering Department, Rice University - City of Houston, Department of Public Health. Project titled, Water Quality Automatic Monitoring and Data Management System. Consultant on data management.
- 1977 Principal Investigator, Southwest Center for Urban Research -Southgate Civic Club, Houston. Project titled, Baseline Inventory and Study Alternative Land Uses for Southgate, Houston.
- 1976-1977 Principal Investigator, Southwest Center for Urban Research -Chambers County Commissioners Court. Project titled, Decision Making in Land Use Management: Applying the Chambers County Approach.
- 1976-1977 Senior Researcher, Southwest Center for Urban Research - Texas Department of Community Affairs Grant titled, The County Planning Project. Research aimed at developing a prototype, environmentally-oriented, particularly rural county planning process.
- 1976 Co-Principal Investigator, Southwest Center for Urban Research - Texas Department of Community Affairs Grant titled, Economic and Demographic Projections for Fayette County.
- 1974-1975 Project Director, Co-Principal Investigator, Rice Center - National Science Foundation (RANN) Grant No. ERT 73-07880A01 titled, Environmental, Political and Economic Bases for Decision Making in Land Use Management. Responsibility: Project Director for the Environmental Analysis Component of the total research program.
- 1974-1975 Principal Investigator and Project Director, Rice Center - Texas Gulf Coast Program Phase I. Project aimed at describing, in an overview fashion, areas of potential conflict between land use and the natural environment on the Texas Gulf Coast.
- 1973-1974 Project Director, Co-Principal Investigator, Rice Center - National Science Foundation (RANN) Grant No. G1-39211 titled, Environmental Analysis for Development Planning. Responsibility: Project director for the Environmental Analysis Component of the total research program.

- 1974 Research Associate, Rice Center - Sugarland Development Review. Client: Gerald Hines Interests. Responsibility: Review aspects of the environmental analysis associated with the Sugarland New Community Development.
- 1973-1974 Co-Principal Investigator, Rice Center - Future Change and Housing Choice. Client: Century Development Corporation (Greenway Plaza). Identification and evaluation of future demographic and mobility trends associated with high density, upper income housing in Houston.
- 1974 Principal Investigator, School of Architecture, Rice University - Community Facility Standards Project, funded from "Presidents Fund," Rice University. Study aimed at empirically analyzing the relationship between population size and type and community facility size and distribution preparatory to the development of design standards.
- 1974 Research Associate, Rice Center - City of Houston. Project titled, Multi-Service Center Project, City of Houston. Principal involvement in locational analysis associated with the project.

CONSULTING

The following is a brief resumé of major private consulting activities conducted in a non-affiliated capacity.

- 2022- 2023. Co-chair, Scientific Advisory Committee, ETH- Singapore Future Cities Lab Global.
- 2022 Peer Reviewer, National Urban Assessment of Pakistan for the Asian Development Bank.
- 2013-2015 Consultant, Calxon Group, Shanghai, China. Townization in China.
- 2013 Member, Skidmore Owings and Merrill Jury, Paris, France.
- 2013 Consultant, UrbanDATA, Shanghai, China. Yuxi Central Area Development.
- 2012 Peer Reviewer, Msheireb Properties, Qatar, Gulf Encyclopedia for Sustainable Urbanism: Analysis of the Past.
- 2011-2012 Consultant, China Sustainable Energy Program, The Energy Foundation, Chenggong Urban District Development.
- 2010 Consultant, UrbanDATA, Shanghai, China. Kunming Building Height and Zoning.
- 2009 Advisor, Mayors Office, Incheon, South Korea.
- 2008 Consultant, UrbanDATA, Shanghai, China. Kunming Urban Design Guidelines.
- 2007- Consultant, Octave, Chengdu, Suzhou, Qingdao, China and New York.
- 2006 Consultant, Teo A. Khing Design, Dubai, United Arab Emirates.
- 2006 Advisor, Deputy Mayors Office, Chuo-ku, Japan.
- 2005-2006 Advisor, Advisory Board on Urban Issues, Governor's Office, Puerto Rico.
- 2003 Advisor, Planning Bureau, Municipality of Wuhan, China.
- 2003 Advisor, Pudong New Area Planning Office, Shanghai, China.
- 2003 Advisor, Planning Bureau, City of Chengdu, China.
- 2001-2004 Advisor and Consultant, City of Barcelona, Spain. New Strategic Projects.
- 2000 Urban Design Advisor, Mayor of Wenzhou, China.
- 2000 Consultant, Teo A. Khing Design, Kuala Lumpur, Malaysia. Design of the Federal Precinct in Sarawak, Malaysia.
- 1999 Consultant, Athens 2004, Athens, Greece. Faliron Bay Project.
- 1998 Urban Design Advisor, Mayor of Guangzhou, China.
- 1998-2000 Consultant, Teo A. Khing Design, Kuala Lumpur, Malaysia. Urban Design Guidelines for the Putrajaya Diplomatic Enclave.
- 1997-1998 Consultant, Straits Trading Corporation, Singapore. China Square Project.
- 1996-1997 Consultant, Teo A. Khing Design, Kuala Lumpur, Malaysia. Urban Design Guidelines for the Putrajaya Masterplan, Phase I.
- 1990 Consultant, Mark Siegel, Film Producer. Film titled, "America on the Suburban Frontier."
- 1977 Planning Consultant, Lower Rio Grande Council of Governments HUD Sect. 701 Housing Plan, Environmental Endeavor, Houston, Texas.
- 1977 Planning Consultant, Houston-Galveston Area Council 208, Water Quality Planning Non-

- point Source Controls, Environmental Endeavor, Houston, Texas.
- 1976-1977 Planning Consultant, Christopher J. Brown and Associates, Houston, Texas. Environmental Impact Statements for F.H.A. Residential Subdevelopments.
- 1976 Planning Consultant, Team Plan, Inc., West Palm Beach, Florida. Development Feasibility Study for P.G.A. Headquarters.
- 1975 Planning Consultant, Team Plan, Inc., West Palm Beach, Florida. Kiawah Island Environmental Impact Statement.
- 1975 Planning Consultant, Team Plan, Inc., West Palm Beach, Florida. Model Development Ordinance for South Carolina.
- 1973-1974 Planning Consultant, Team Plan, Inc., West Palm Beach, Florida. Moss Creek Plantation Development Plan.
- 1972-1973 Consultant, Research Consultants, Austin, Texas. Comprehensive Survey of Texas Land-Use Law, Research Consultant.
- 1972 Consultant, Hines Enterprises, Houston, Texas. Low Income Housing Market/Location Study.
- 1971 Consultant, Caudill Rowlett and Scott, Houston, Texas. Programming of Texas Tech. Medical Facilities.
