

Faculty

Peter G. Rowe

Professor
Department of Urban Planning and Design

Curriculum Vitae

DEGREES

- Melbourne University, Architecture, BArch, 1969.
- Rice University, Urban Design, MArch in Urban Design, 1971.
- Harvard University, AM (Hon.), 1986.
- Melbourne University, Doctor of Architecture, *honoris causa*, 2013.

PROFESSIONAL EXPERIENCE

Teaching

- 1987- Raymond Garbe Professor of Architecture and Urban Design, Graduate School of Design, Harvard University.
- 2004- Harvard University. Distinguished Service Professor.
- 1992-2004 Dean, Faculty of Design, Harvard University.
- 1988-92 Chairman, Department of Urban Planning and Design, Graduate School of Design, Harvard University.
- 1985-90 Director, Urban Design Programs, Graduate School of Design, Harvard University.
- 1985-87 Professor of Architecture and Urban Design, Graduate School of Design, Harvard University.
- 1981-85 Director, School of Architecture, Rice University.
- 1985 Professor, School of Architecture, Rice University
- 1977-85 Associate Professor, School of Architecture, Rice University.
- 1977-85 Adjunct Associate Professor of Human Ecology, School of Public Health, University of Texas Health Science Center, Houston, Texas.
- 1973-77 Assistant Professor, School of Architecture, Rice University.
- 1972-73 Instructor, School of Architecture, Rice University.
- 1971-72 Lecturer, School of Architecture, Rice University.

Research and Practice

- 2012- Chairman and co-founder, SURBA – Studio for Urban Analysis, New York
Major project involvement dedicated to the analysis of urban phenomena aimed at improving policy making, with a particular emphasis on senior advisory and consulting services to both the public and private sectors, internationally.

- 2004-07 Education Programme Director, Aga Khan Trust for Culture, Geneva.
Major consulting assignments included: coordination of on-going surveys of architecture, planning and environmental design education programs in the Muslim world and those concerning conditions for practice in the Muslim world; curriculum development; oversight, for the Trust, of the Aga Khan Programs in Architecture at Harvard and MIT; organization and sponsorship of architectural fora, symposia and lectures; oversight of the Aga Khan Award for Architecture; liaison with the Aga Khan Historic Cities Support Program; and special assignments in development planning for the Aga Khan Development Network.
- 1981-87 Principal, Environmental Planning and Design, Houston, Texas.
Major project involvement included: urban modeling, growth forecasting, environmental impact assessment, pre-design project analysis, urban design and planning and public policy evaluation.
- 1978-81 Vice President and Research Director, Rice Center, Houston, Texas.
Major project involvement included: Direction of technical programs and environmental and transportation modeling, together with impact assessment and policy formulations.
- 1976-78 Director, Environmental Program, Southwest Center for Urban Research, Houston, Texas.
Leadership of the environmental program dealing with impacts of urbanization on natural environments. Also, research work concentrated on the role of local government in environmental management and community development.

RECENT HONORARY PROFESSORSHIPS, MEMBERSHIPS AND AWARDS

- Qiushi Chair Professor, Zhejiang University, 2016-2019.
High-Level Foreign Expert, Tsinghua University, 2016-2019.
Visiting Fellow, Center for Livable Cities, Singapore, 2015-2017
Honorary International Chair Professor, National Taipei University of Technology, 2014-2017
Honorary Professor in the Faculty of Social Sciences, Chinese University of Hong Kong,
2014- Distinguished Alumni Award, Rice University, 2014.
Honorary (Guest) Professor, Tsinghua University, 2013-
Honorary Professor, Tongji University, 2003-
Honorary Member, Accademia dei Benigni, Italy, 2002-
Honorary Professor, Xi'an University of Architecture and Technology, 1999-
Honorary Member, Boston Society of Architects, 1986-
Member, American Planning Association, 1981-2004, 2011-

OTHER RECENT ACADEMIC AND RELATED ACTIVITIES

- Member, International Strategic Committee of Tsinghua-CIFI Center for Sustainable Community, 2016 –
Member, College of Reviewers for the Canada Research Chairs, 2015 –
Jury Member, Global Schindler Award, Switzerland, 2014-2015.
Member, Asia Center Steering Committee, Harvard University, 2014-2017.
Member, Council on Asian Studies, Harvard University, 2013-2015.
Member, Joint Center for Housing Studies, Harvard University, 2012-
Member, External Advisory Board of the Architecture and Sustainable design Program of Singapore University of Technology and Design, 2013-
Jury Member, Parque del Rio Medellin Competition, Medellin, Colombia, July 31-August 2, and October 14-15, 2013.
Jury Member, The World Knowledge Forum: Creative and Adaptive City Design Competition, Seoul, South Korea, August 25, 2013.
Member, Advisory Panel of the Guangzhou Planning Committee, 2012-
Member, William Ward Watkin Council, Rice University, 2012.
An Executive Director, Hainan University Council, Hainan University, 2011-
Member, Wuhan City Planning Board Consultants Committee, Wuhan, China 2011-

Chairman, External Academic Review Committee for the School of Architecture, Tsinghua University, 2010.
Member, International Advisory Committee for the College of Architecture and Landscape Architecture, Peking University, 2010-
Board Member, UNESCO World Heritage Institute of Training and Research in Asia and the Pacific Region, 2008- International Advisor, People's Municipal Government of Guiyang, China, 2007-
Member, Steering Committee, China Fund, Harvard University, 2006-
Vice Chairman, International Advisory Council, People's Municipal Government of Wuhan, China, 2005-
Senior Consultant, Building China Modern, Public Broadcasting System, 2002-07.
Member, Steering and Executive Committees, Asia Center, Harvard University, 2001-04.
Member, Board of Trustees for the Cities Programme, London School of Economics, 2001-07.
Board Member, Centre Canadien d'Architecture, 1995-2007.
Senior Advisor, Center for Urban Development Studies, Tongji University, 2003- 06.
Jury Member, Manzanares River competition, Madrid, Spain, 2005.
Chairman, Review Committee for the Department of Architecture, ETH, Zurich, 2005.
Honorary Member, Editorial Board, Journal of Architecture and Studies, 2005.
Jury Chairman, Hellenikon Project, Athens, Greece, 2004.

RECENT LECTURES AND PRESENTATIONS

Zhejiang Changjiang Delta Town Development and Data Research Institute, Wuzhen, China. Keynote in the Small Cities, Great Futures: 4th Forum on Changjiang Delta Town Development. Lecture titled "Sustainable and Green: Four Concepts and Some Projects", June 30, 2016.

School of Architecture, Tsinghua University. Public Lecture titled "China's Physical Urbanity of Residential Communities" May 19, 2016.

University of the Philippines. Presentation about Harvard and the Graduate School of Design. Manila, March 17, 2016.

Zhejiang Changjiang Delta Town Development and Data Research Institute, Nanjing, China. Keynote in the Small Cities, Great Futures: 3rd Forum on the Development of Towns in the Changjiang Delta. Lecture titled "Sustainable Towns in Well- Networked Urban Regions" August 1, 2015.

Rockefeller Center for Latin American Studies. Conversation Around Mexico City: Between Geometry and Geography. Museo Experimental El Eco, Mexico City, June 26, 2015.

School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled, "Building Barcelona: A Second Renaiçença" and "Urban Intensities: Contemporary Housing Types and Territories", May 22 and 29, 2015.

Zhejiang Changjiang Delta Town Development and Data Research Institute, Diankou, China. Keynote in the Small Cities, Great Futures: Changjiang Delta Towns Development Conference. Lecture title "A Case for Towns and Small Cities in an Urbanizing Regional Context", February 24, 2015

Joint Center for Housing Studies Project Advisory Board Meeting, Alfred Taubman Center, Harvard University. Lecture titled, "Urban Housing in China", September 30, 2014.

Shanghai Overseas Returned Scholars Association. Speaker in the International Symposium on Population and Future Development of Mega-Cities. Lecture titled, "Pursuit of Urban Intensity: Spatial Distribution of Population, Transport, and Employment in Mega-Cities at Two Levels of Resolution", July 5, 2014.

National Taiwan University. Speaker in a Symposium Regarding Urban Regeneration. Lecture Titled, "Obsolescence, Regeneration, and Resilience in Urban Form: Some Observations", April 12, 2014.

School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled, "Comparative Cases of Urban Planning and Design from China and the Developed World" and "Reflections on the Quality of Design Thinking in the Digital Age Around Matters of Problem-Space Vagueness and Definition", March 14 and 21, 2014.

Bi-City Biennale of Urbanism and Architecture, Shenzhen. Participant in the Design Workshop and International Forum on the Creative Development for the Industrial Hub of ShekouDacheng Floor Factory, February 26, 2014.

Centro Roberto GauzaSada de Arte, Arquitectura y Diseño, Universidad de Monterrey. Participand in *Beyond*, 5th International Conference of Art, Architecture and Design. Lecture titled, "Emergent Architectural Territories in East Asia", March 6, 2014.

Calxon Group, Shaoxin, China. Seminar participation. Lecture titled, "Cases of Urban Planning and Design from Developed Countries", August 22, 2013.

University of Campinas, Campinas, Brazil. 6th Meeting on Information Technology and Communication in the Construction Industry. Lecture titled, "Reflections on the Quality of Design Thinking in the Digital Age Around Matters of Problem-Space Vagueness and Definition", July 25, 2013.

Van Alen Institute, New York. Lecture titled, "A City and Its Stream: The Cheonggyecheon Restoration Project", April 9, 2013.

School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, sponsored by the One Asia Foundation. Lectures titled, "East Asian Modern: Shaping the Modern City" and "Architectural Encounters with Essence and Form in Modern China", March 18 and 21, 2013.

Melbourne University Design School. Special Lecture titled, "Shanghai Post-70s", March 15, 2013.

School of Architecture, Rice University. RAMP Conversation with Peter Rowe, February 8, 2013.

Urban Design Asia 2012, Seoul, South Korea. Keynote Address titled, "Future Asian Cities: Regional Reflections and Sustainable Developments", October 18, 2012.

Xinhua Press. Interview, "How Far Is Green Building From The U.S." June 5, 2012.

School of Architecture, Tsinghua University. Speaker in a Lecture Series on Comparisons in Architecture and Urban Design Between East and West, Sponsored by the One Asia Foundation. Lectures titled, "Urban Formation in China Seen From Afar" and "Emergent Architectural Territories in East Asian Cities", April 9 and 16, 2012.

School of Architecture, Chinese University of Hong Kong. Symposium on Sustainable Cities: Future New Towns for Hong Kong. Presentation titled, "District Making for the 21st Century in China: Breaking Old and Not So Old Habits", March 9, 2012.

School of Architecture and Urban Planning, Seoul National University. Lecture titled, "Emergent Architectural Territories in East Asian Cities", December 10, 2011.

School of Architecture, Chinese University of Hong Kong. Kinoshita Lecture titled, "Emergent Architectural Territories in East Asian Cities", December 3, 2011.

Hauser Center for Nonprofit Organization at Harvard. Conference on Civil Society and Nonprofits in China. Speaker and Panelist "The Architecture Profession: Unique Arrangements Undergoing Change," January 22, 2011.

Department of History and the Baker – Nord Center for the Humanities, Case Western Reserve University. Tipping Points in Urban Change : Modern Perspectives on Agents of Urbanization. Presentation titled, "The City and Its Stream: Turning Points in Seoul's Modern Development," March 25, 2010.

School of Architecture, Tsinghua University. Doctoral Forum of China (Architecture). Speaker and Special Member of the Scientific Committee of the Doctoral Forum of China in Architecture. Lecture titled, "On Doctoral Study" and "Urban Formation in China from 1950 Seen from Afar," October 15th-18th, 2009.

Fairbanks Center, Harvard University. The People's Republic of China at Sixty: An International Assessment, Speaker and Panelist "Urban and Residential District Making: 1949-2009," May 1st, 2009.

World Cities Summit 2008, Singapore. Speaker and panelist "Planning for a Distinctive and Vibrant City", June 24th, 2008.

China Committee of 100, Los Angeles. Speaker and panelist "Man and Environment: Multi-disciplinary Perspectives in Sustainability" April 18th, 2008.
