

**Master of Architecture in Urban Design
Master of Landscape Architecture in Urban Design
Histories and Theories of Urban Design
2022-2023**

MAUD and MLAUD degree candidates must take a course (4 units) from the below options to fulfill their History and Theory of Urban Design requirement. If a course is also approved as a distributional elective in Model of Development or Urban Systems and Forms, it may be used for one requirement, but may not be counted more than once.

FALL 2022:
