Master in Urban Planning Legal and Institutional Methods 2023-2024

Students must complete 4 units in Legal and Institutional Methods and may choose one of the courses below to fulfill the requirement. Strong coverage of this area is a requirement for our accreditation. This requirement centers on legal and related institutional contexts within which planning occurs in the US and/or internationally. Such classes must address broad principles of legal theory and practice or planning-relevant governance. Classes focused on specific tools or regulations, or specialized policy areas, are not acceptable.
