Degree Program _____ Month/Year of Graduation _____

I intend to fulfill the requirement for thesis preparation through completion of a 4-credit independent study with my thesis advisor, rather than through the formal UPD thesis preparation course (GSD 9204). I understand that whether or not I am taking GSD 9204, I will be required to participate in mid-term and final reviews in the fall term with the entire UPD thesis cohort, as outlined in the UPD thesis handbook.
