IMPORTANT INFORMATION REGARDING PAY:

The above paperwork must be completed prior to or within 3 days of your first day of work. Once you have been hired, you must submit completed timesheets on a weekly basis. Your department will inform you when timesheets are due which will be paid on the following Friday. Holidays may require timesheets be submitted earlier.

Non Harvard Students:

- Prior to hiring, the department should contact Mychelle Muliro in Human Resources to determine if the employee is eligible to be hired in a temporary or less than half-time, (LHT) position.
- Non-Harvard student temporary employees may only work 90 days in a temporary position. The PeopleSoft system will default to an appointment end date of 90 days from first day worked unless an earlier end date is entered on the hire form. The Employee's **position will auto-terminate** in the system on the end date listed or 90 days if no end date is listed.
- If the employee is going to work longer than 13 weeks, the department will need to contact Mychelle Muliro in Human Resources to determine if the position is eligible to be hired or converted to less than half-time (LHT) status. Less than half-time employees can only work up to 14 hours/week, allowing only 2 instances of working more than 14 hours/week over the course of their employment.
- Non-Harvard student temporary employees must have an 8 month break in service between temporary jobs if not converting to a LHT position.
